Whereas, the said Committee, duly elected by the registered voters of Tewksbury has the final responsibility establishing the educational policies for the public schools of Tewksbury; and

Whereas, the Association has the responsibility of providing within the public school system the highest possible education and assistance consistent with the educational policies of the committee;

Now, Therefore, in witness thereof, the Committee and the Association, in order to give effect to these declarations and in consideration of their mutual promises, hereby agree as follows:

ARTICLE I **RECOGNITION**

For the purposes of collective bargaining with respect to wages, hours, other conditions of employment, the negotiation of collective bargaining agreements, and any questions arising thereunder, the Committee recognizes the Association as the exclusive bargaining agent and representative of:

all vocational educational aides, kindergarten aides, special needs aides, and audio-visual aides excluding all library aides, confidential, managerial and all other employees.

The aides covered by this contract will be classified as Classroom Instructional Aides and Classroom Aides. The Educational Support Personnel and ESP Aides titles are interchangeable.

ARTICLE II **CONTRACTUAL AGREEMENT**

Subject to the provisions of this Agreement, the wages, hours and other conditions of employment applicable on the effective date of this Agreement to employees covered by this Agreement shall continue to be so applicable.

This Agreement is a complete agreement between the parties covering all mandatory subjects in bargaining. All matters not dealt with herein shall be treated as having been brought up and disposed of and the Committee shall be under no obligation to negotiate further in the modifications or additions to this Agreement which are to be effective during the term hereof and such other items including assignments, etc. shall be within the sole control and direction of the Committee and/or the Superintendent.

The parties agree that their relations shall be governed by the terms of this Agreement. To the extent any other practices or policies are in direct conflict with this Agreement, this Agreement shall prevail.

No change or modification of this Agreement shall be binding on either the Committee, the Superintendent or the Association unless reduced to writing and executed by their respective duly authorized representatives.

ARTICLE III **COMMITTEE RIGHTS**

The Committee is a public body established under and with the powers provided by the Statutes of the Commonwealth of Massachusetts. It is acknowledged that as elected representatives of the citizens of Tewksbury the Committee has the final responsibility for establishing educational policies and allocating resources for the Tewksbury School System.

Nothing in this Agreement shall be deemed to derogate or impair the powers, rights or duties conferred upon the Committee and/or the Superintendent by the Statutes of the Commonwealth or the rules and regulations of any pertinent agency of the Commonwealth.

As to every matter not covered by this Agreement, and except as expressly modified by this Agreement, the Committee and/or the Superintendent retains exclusively to itself all rights and powers that it has by law, or may hereafter be granted by law, and shall exercise the same without such exercise being made the subject of arbitration.

ARTICLE IV **GRIEVANCE PROCEDURE**

The purpose of the procedure set forth below is to produce prompt and equitable solutions to those problems, which from time to time arise and affect the conditions of employment of the employees covered by this Agreement. The Committee and the Association desire that such procedure shall always be as informal and confidential as may be appropriate for the grievance involved, the procedural level involved; and nothing in this Agreement shall prevent any such employee from individually presenting any grievance of the employee.

GENERAL PROVISION

Section 1. A grievance is defined as a dispute between a member of the bargaining unit covered by this Agreement, or the Association and the Committee over the interpretation or application of a specific provision or provisions of this Agreement; or the alleged inequitable or discriminatory treatment of an employee under such provision(s).

If any employee covered by this Agreement shall present any grievance without representation by the Association, the disposition, if any, of the grievance shall be consistent with the provisions of this Agreement, and if the Association shall so desire, it shall be permitted to be heard at each level of the procedure under which the grievance shall be considered.

Section 2. The aggrieved employee may, if he/she so wishes, be represented by the Association at any level of the grievance procedure.

Section 3. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum, and every effort should be made to expedite the process. The time limits specified may be extended only by prior mutual agreement.

Section 4. In the event that a grievance is filed late in the school year which, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein may be reduced, if either party so wishes, so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as possible.

Section 5. No written communication, other document, or record relating to any grievance shall be filed in the personnel files maintained by the School Department of Tewksbury for any employee involved in presenting such grievance, except such school department may maintain a file separate from the personnel file concerning such grievance.

Section 6. The Association or its president may initiate a grievance that relates to a group of Aides. Said grievance shall be submitted directly to the Superintendent within ten (10) school days or 10 days from date of first knowledge of its occurrence at Level Two and shall commence at Level Two.

Section 7. If at the end of ten (10) school days next following the occurrence of any grievance or ten (10) school days next following the date of first knowledge of its occurrence by the Aide affected by it, the grievance shall not have been presented at Level One of the procedure set forth below, the grievance shall be deemed to have been waived; and any grievance in course under such procedure shall also be deemed to have been waived if the action required to present it to the next level in the procedure shall not have been taken within the time specified therefore.

LEVEL ONE: The grievance shall be presented in writing by the Aide to the appropriate principal and/or immediate supervisor who shall meet with the Aide in an effort to resolve the grievance. In addition to any other party desired by the grievant, the grievant shall be in attendance, at Level One at the presentation of the grievance for the purpose of making and/or listening to the presentation and assisting in the resolution of the grievance at the earliest possible opportunity. In the event the grievant cannot be present because of physical disability or school not being in session, then the requirement of attendance shall either be waived by the Superintendent or the date of presentation adjourned to a date when the grievant at the earliest opportunity, can be present. The grievance shall be submitted with sufficient detail and specificity to enable the Committee to fully understand the grievance, and the grievant shall cite the specific sections of the contract which the grievant claims the Committee has violated.

LEVEL TWO: If at the end of five (5) school days next following such written presentation the grievance shall not have been disposed to the Aide's satisfaction, the written grievance may be presented within the next five (5)

school days to the Superintendent, who shall, within five (5) school days thereafter, meet with the Aide in an effort to settle the grievance.

LEVEL THREE: If at the end of ten (10) school days next following the meeting with the Superintendent the grievance shall not have been disposed of to the satisfaction of the Aide, the Aide may refer the written grievance to the Committee within five (5) school days. Within fifteen (15) school days after receipt of the written grievance, the School Committee or a subcommittee thereof shall meet with the Aide in an effort to settle the grievance.

LEVEL FOUR: If at the end of ten (10) school days next following the meeting the grievance shall not have been disposed of to the satisfaction of the Aide, the Association, by giving written notice to the Committee within five (5) school days next following the conclusion of such period of ten (10) school days, may submit the grievance to arbitration.

ARBITRATION

Section 8. In the event either party elects to submit a grievance to arbitration. The arbitrator shall be selected according to and governed by the following procedure: The arbitrator is to be mutually selected by the Committee and the Association. In the event of mutual selection of an arbitrator, the arbitrator shall function under the Massachusetts Board of Conciliation and Arbitration. If the Committee and the Association cannot agree within five (5) school days after written notice specified above of the intention to arbitrate, then the party demanding arbitration shall within five (5) school days thereafter request the Massachusetts Board of Conciliation and Arbitration to provide a panel of arbitrators. Said arbitrator is then to be selected under the provisions of the Voluntary Labor Arbitration rules.

Section 9. The fees of the Massachusetts Board of Conciliation and Arbitration and/or of the arbitrator and the expenses of any required hearings shall be shared equally by the Committee and the Association, but each party shall bear the expenses of its representatives, participants, witnesses, and for the preparation and representation of its own case.

Section 10. The parties may, by mutual agreement, submit more than one pending grievance to the same arbitrator.

Section 11. The party initiating a grievance shall, if arbitrated, have the obligation of going forward with its case before the other party shall be required to present its case or adduce any testimony or introduce any evidence. If the Committee raises an issue of arbitrability, the Committee may go forward at the discretion of the arbitrator on that issue first.

Section 12. The arbitrator's award shall be in writing and shall set forth his/her findings of fact with reasoning and conclusions. He/she shall arrive at his/her decision solely upon the facts, evidence and contentions presented by the parties throughout the arbitration proceeding. The arbitrator shall have no power to add to, subtract from or modify any of the terms of this Agreement, and in reaching his/her decision shall

interpret the Agreement in accordance with the commonly accepted meaning of words used herein and the principle that there are no restrictions intended on the rights or authority of the Committee other than those expressly set forth herein. The obligation of the Committee to pay shall be limited to the obligations which the Committee may legally undertake, and in no event shall any present or future member of the Committee or the Association have any personal obligation for payment under the provisions of this Agreement. Subject to the foregoing, the decision of the arbitrator shall be submitted to the Committee and the Association and shall be final and binding upon the Committee, the Association and the Aide or group of Aides who initiated the grievance.
